To: "foia@usgs.gov" <foia@usgs.gov>

Cc: "John R. Vincent (jrv@johnvincentlaw.com)" <jrv@johnvincentlaw.com>, "carly@johnvincentlaw.com" <carly@johnvincentlaw.com>

Pursuant to The Freedom of Information Act (FOIA), 5 U.S.C. 552, within twenty days please provide:

- The power-point slides and presentation materials used and presented by USGS representative Davit Mott at the October, 2012 stakeholder meeting in Riverton, Wyoming discussing Pavillion groundwater quality and tests.
- All terms of payment or funding received from the State of Wyoming for use in evaluating Pavillion, Wyoming groundwater or the EPA's multi-phase study into Pavillion groundwater.
- All correspondence between your offices and Governor of Wyoming Matt Mead's office, regarding the EPA's Pavillion, Wyoming groundwater study and/or the USGS Pavillion Groundwater Study, from 2010 to present.
- Transcripts, notes, audiotapes, videotapes, or any other recordings of the October 10, 2012 stakeholder meeting which David Mott attended, in your possession or control.

If any information is redacted, withheld, or otherwise cannot be timely produced, please set forth the full reasons, citing to the appropriate provision(s) of 5 USC 552.

Thank you for your time,

-Galen Trine-McMahan
