

Requesting CIDR/CMT Access

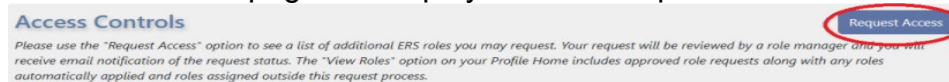

To enter Data Acquisition Request (DAR) users must be affiliated with a U.S. Federal Civil Agency. The role to enter DARs can be requested via the ERS account.

- ERS Account Access Request
 - Go to [EROS Registration System](#) (ERS) and login with username and password

- On the top menu, select Access Request

- Access Controls page will display. Select Request Access.

- In the Access Request Form, select dropdown and choose

 A screenshot of the 'Access Request Form'. At the top is a blue header with 'Request Access' and a close button. Below is a section titled 'Access Request Form'. Under the heading 'Access Type', there is a dropdown menu. The dropdown is open, showing options: '-- Select Access Type --', 'Access to EE's Machine to Machine interface (MACHINE)', and 'NewEE Federal CRSSP Authorized (FEDCRSSPA)' (which is highlighted with a red arrow).

- Once selected, fill in the Justification and then select Request.
